

Sister of the Devil

## FLANDRE SCARLET

When a player is hit by Flandre's attack, instead of discarding a Powerup card they control, that player must discard an Item card they control of Flandre's choice.

Taboo  
"Laevatein"

This Spell Card cannot be cancelled.

Choose a player regardless of range. Attack that player and each player adjacent to them. *You cannot attack yourself.*

The Closed Eye of Love

## KOMEIJI KOISHI

At the start of the game and the start of each turn, Koishi chooses another character. She gains that character's Ability until the start of her next turn.

Symbol  
"Danmaku Paranoia"

Choose another player. Until the start of your next turn, that player's Ability has no effect.

You may attack a player in range.

Ghost of Nod

## SAIGYOUJI YUYUKO

All players at 1 life are considered in range for Yuyuko.

When Yuyuko attacks a player at 1 life, that attack can't be avoided.

Deadly Butterfly  
"Eternal Sleep in Dreamland"

All other players lose 1 life. This cannot reduce a player's life below 1.
